ENSURING VISIBILITY & COMPLIANCE WITH EXPERT DESIGN SERVICES

At Memphis Design, we specialize in delivering top-tier design and printing solutions for marine and offshore industries. From personalized safety symbol stickers to durable marine stencils and national flags, our in-house team ensures every product meets stringent quality and regulatory standards. We're your one-stop shop for customized artwork and fast, reliable production tailored to enhance safety and branding at sea.

Available Services:

Printing of IMO Safety Symbols Stickers and Posters:

Certified to IMO standards, our signage is available in DNV.GL-approved photoluminescent adhesive or durable white vinyl adhesive, ensuring clarity and longevity in marine conditions.

Marine Stencils:

Designed by our in-house specialists, our stencils undergo rigorous quality checks to guarantee precision and usability for your vessel's marking needs.

National Country Flags:

Choose from our extensive inventory of vividly printed flags in various sizes, crafted with superior color resolution for vessels worldwide.

Safety Items:

We maintain stock of essential marine safety products, including life buoys, Fangzhan life jackets, pipe identification tapes, and wayfinding tapes, all designed for immediate deployment.

Customized Stickers and Roll-up Banners:

Elevate your corporate events or marketing campaigns with bespoke stickers and roll-up banners, expertly designed and produced to reflect your brand.
